MINOR INJURY ASSESSMENT

NHS Lothian provides  
an online **Minor Injury  
Assessment** for patients.

## FOR VIDEO CONSULTATION

Get advice quickly and safely for injuries including:

- ▶ strains, sprains and suspected broken bones of arms and legs
- ▶ wounds and minor burns
- ▶ minor bumps to head and face
- ▶ simple eye injuries
- ▶ insect bites and stings

A qualified nurse practitioner will advise if you can treat the injury at home or with help from a local pharmacy. If you need to attend the minor injury service they will give you a suitable appointment time.

To access Call MIA phone NHS 24 on **111**.
